

## coprisella da corsa racing seat cover

attenzione:

- raddoppia il cartamodello sulla stoffa specchiandolo, per ottenere il pattern completo
- taglia la stoffa lasciando 0,7 cm in più per le cuciture
- ti occorre anche un elastico piatto alto 1 cm e lungo 20 cm circa

attention:

- mirror the pattern on the fabric, so you can obtain the complete design
- cut the fabric allowing 0,7 cm more for the seams
- you also need an elastic band 1 cm high and about 20 cm long

1

nel rovescio del tessuto,  
risvolta il bordo curvo e punta gli spilli  
disponendoli a partire dalle estremità  
e poi a metà fra uno spillo e l'altro  
*on the back side of the fabric,  
turn up the curved edge and fix it with pins.  
start from the edges and then add pins  
halfway between two pins*

2

metti più spilli che puoi e cuci il bordo  
lasciando lo spazio per inserire l'elastico  
*add as many pins as you can, then sew  
the edge allowing enough space to insert  
the elastic band*

elastico  
elastic band

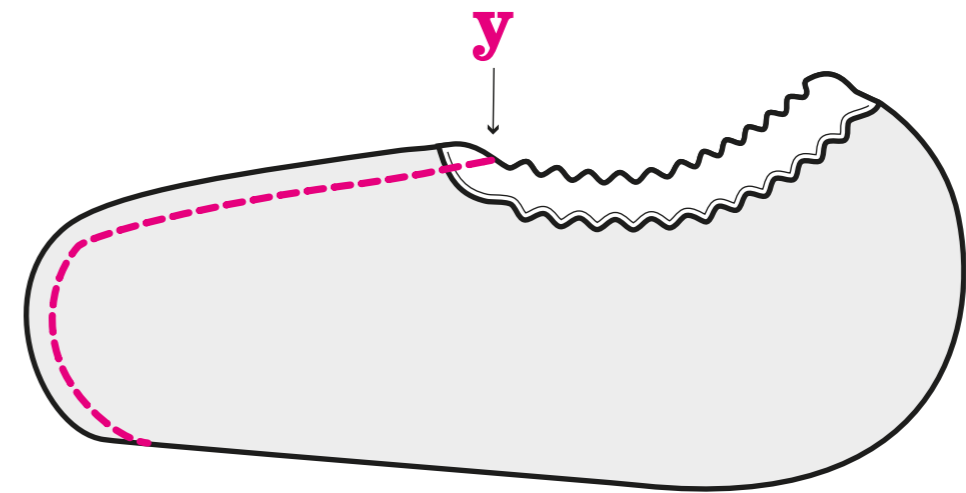

*cuci l'elastico  
alle due estremità  
sew the elastic band  
to the edges*

3

inserisci l'elastico aiutandoti con una  
spilla da bàlia e fissalo alle due estremità  
del bordo, creando l'arricciatura  
*insert the elasting band with the help  
of a safety pin, here comes the curling!*

4

piega a metà per il lungo e chiudi la punta  
del coprisella con una cucitura, fino al punto Y  
del cartamodello. risvolta tutto... e bellalì!  
*fold in half lengthwise and close the tip of  
the seat cover with a seam, up to the point Y of  
the pattern. turn inside out... and that's all!*
